RAVEN FLOAT REELS

RAVEN VECTRA SST-3 *Ported Spool*

Colour: Titanium

Diameter: 4 1/2"

Weight: 6.7 oz

Capacity: 200 yards 8lb line, 50 yards backing

Aircraft grade aluminum

Integral reel foot and backplate

Adjustable tension screw

High strength stainless steel spindle

Twin shielded bearings

Low profile On/Off ratchet

Ergonomic rounded rim

Re-enforced machined arbour

BONUS protective neoprene pouch

The Raven Vectra SST-3 reaches a new level of precision machining with its fully ported spool and arbor, making it the lightest float reel on the market. The ultimate centerpiece for small to medium rivers. The super lightweight spool makes Wallis casting a dream.

RAVEN VECTRA SST-2

Colour: Polished Bronze

Diameter: 4 1/2"

Weight: 8.4 oz

Capacity: 200 yards 8lb line, 50 yards backing

Aircraft grade aluminum

Integral reel foot and backplate

Adjustable tension screw

High strength stainless steel spindle

Twin shielded bearings

Low profile On/Off ratchet

Ergonomic rounded rim

Re-enforced machined arbour

BONUS protective neoprene pouch

The SST-2 is the cutting edge update of the original Raven Vectra SST float reel. The reel's polished bronze finish and light weight make it the perfect match to the high performance Raven IM8 rod series.

Raven 5 Year Warranty Against Manufacturing Defects

Raven reels are warranted against any manufacturing defect for five (5) years from the date of purchase. The reel, and the original dated receipt must be returned postage paid to Anglers International for repair. Any misuse, damage, modification or unauthorized repair automatically forfeits this warranty. Return shipping charges apply.

RAVEN FLOAT REELS

MATRIX XL

Colour: Polished Bronze, Polished Titanium
Diameter: 5"
Weight: 10.3 oz
Capacity: 275 yards 8lb line, 50 yards backing
Aircraft grade aluminum
Integral low profile reel foot
Coin Slot adjustable tension screw
High strength stainless steel spindle
Twin shielded bearings
On/Off ratchet

Sleek, ergonomic design in a large 5.0" diameter. The new Matrix XL offers quicker line retrieve and balances perfectly with long rods. The ultimate compliment for the Raven 15' IM8 and IM9 rods.

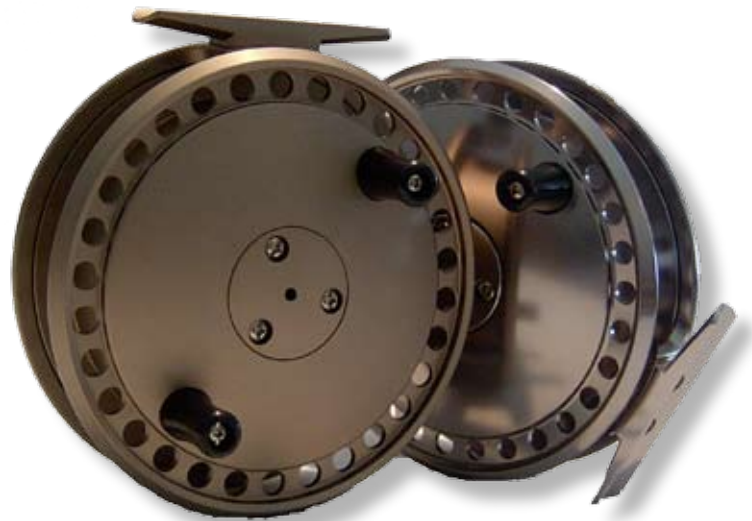

Features an adjustable "coin slot" tension screw to make on the river adjustments a breeze.

MATRIX

Colour: Light Bronze, Polished Titanium
Diameter: 4 3/8"
Weight: 8.2 oz
Capacity: 200 yards 8lb line, 50 yards backing
Aircraft grade aluminum
Integral low profile reel foot
Coin Slot adjustable tension screw
High strength stainless steel spindle
Twin shielded bearings
On/Off ratchet

The Matrix is unquestionably the best value in float reels. Designed with function in mind, it features a solid spool and backplate that prevent debris from entering the reel, and an ergonomic low profile reel foot and backplate.

Matrix 1 Year Warranty Against Manufacturing Defects

Matrix reels are warranted against any manufacturing defect for one (1) year from the date of purchase. The reel, and the original dated receipt must be returned postage paid to Anglers International for repair. Any misuse, damage, modification or unauthorized repair automatically forfeits this warranty. Return shipping charges apply.

RAVEN FLOAT RODS

RAVEN IM9 Float Rods

- Matte navy blue blank
- SiC High frame guides with titanium finish
- Exclusive Raven tip top guide
- Aluminum butt cap with titanium finish
- Premium quality Portuguese cork handle
- Convenient hook keeper
- Matching navy blue protective cloth bag
- Woven graphite reel seat or sliding rings with titanium finish aluminum butt cap

Lifetime Extended Coverage

Raven IM9 rods offer super crisp action, delivering tremendous control and hook setting power. The perfect big water rod.

Shown: Woven graphite reel seat and SST-3

RAVEN LINE

RAVEN INVISIBLE Fluorocarbon

Raven leader line is made of 100% fluorocarbon material making it virtually invisible. This supple line has low memory, excellent breaking strength and very good abrasion resistance. High density RAVEN INVISIBLE fluorocarbon sinks faster than nylon lines, allowing the bait to run naturally along the bottom.

The 30m (33yd) spool is available in four strengths.

- RVFC34
- RVFC45
- RVFC56
- RVFC68
- RVFC84

| | | | | | |
|---------------|------|------|------|------|------|
| Strength (lb) | 3.4 | 4.5 | 5.6 | 6.8 | 8.4 |

| Diameter (mm) | .18 | .19 | .22 | .24 | .28 |

RAVEN MAIN LINE

This premium quality monofilament has excellent abrasion resistance and high breaking strength. RAVEN MAIN LINE's supple formulation and high buoyancy makes it ideal for float fishing.

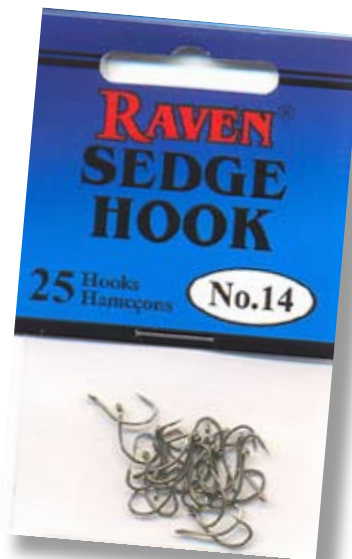

The 1/8lb and 1/2lb bulk spools are available in five strengths and four colours.

High Visibility: Fluorescent Pink and Yellow
Low Visibility: Light Grey and Moss Green

RAVEN Wide Gape Specimen

This medium wire hook is ideal for roe bags and trout worms. Its compact shape and superior hooking ability sets it to become the new standard for Steelhead hooks.

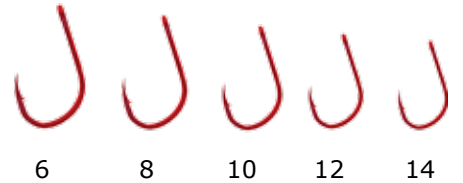

Black-Nickel finish, forged, high strength carbon 110 steel, straight eye, short shank, wide gape, 6° reversed offset, micro barb and chemically sharpened beak point.

RAVEN Wide Gape Specimen Red

A hot new hook pattern in the ever popular red finish, ideal for single egg flies, roe bags and worms.

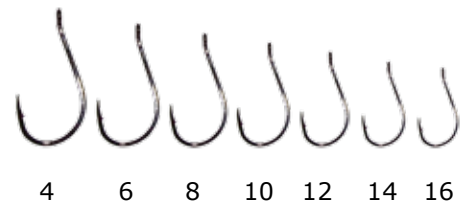

Red finish, forged, high strength carbon 110 steel, straight eye, short shank, wide gape, 6° offset, micro barb and chemically sharpened beak point.

RAVEN Specialist

The perfect all-purpose hook. It is considered the most dependable Steelhead hook on the market with its great hooking and holding power.

Black-nickel finish, forged, extra strong carbon 110 steel, 20° up-turned eye, straight shank, wide gape, 6° reversed offset, micro-barb, and chemically sharpened beak point.

RAVEN Octopus Strong

This powerhouse hook is ideal for big Salmon and Steelhead. A great hook for horsing fish out of snaggy situations or out of strong currents. The up-turned eye makes it ideal for snelling or tying on glo-bug yarn.

Gunmetal black finish, forged, extra heavy carbon 80 steel, 45° up-turned eye, short shank, wide gape, 6° reversed offset, micro barb and chemically sharpened beak point.

RAVEN Sedge

This light wire hook is ideal for roe bags and single eggs. Sedge hooks have been the standard for Steelheading for years.

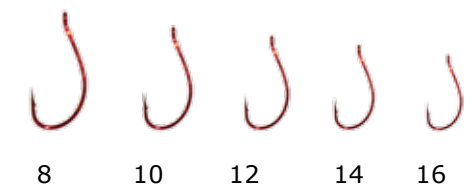

Bronze finish, forged, high strength carbon 90 steel, 20° up-turned eye, swept shank, 6° offset, micro barb and chemically sharpened needle point.

RAVEN Sedge Supreme Red

The popular sedge pattern hook in a fish attracting red finish, ideal for bright roe bags and pink plastic worms.

Red finish, forged, high strength carbon 90 steel, 20° up-turned eye, swept shank, 6° offset, micro barb and chemically sharpened needle point.

RAVEN Shrimp

This strong compact hook is great for subtle presentations when using heavier line or today's more powerful float rods.

Bronze finish, forged, high strength carbon 90 steel, 20° down-turned eye, continuous bend, 6° offset, micro barb and chemically sharpened needle point.

RAVEN ACCESSORIES

RAVEN Silicone Float Cap Tubing

Our float cap tubing can be cut to the required length and attached to the top and the bottom of virtually any float.

Available in 1/16" and 3/32" diameters.

Packaged in 12" lengths.

RAVEN Micro Swivels

These low-visibility swivels are extremely small and strong, allowing for an ultra subtle presentation.

Available in 25/pack or 1000/bag

RAVEN PRO-SHOT Split Shot

Made from a special alloy blend to maximize holding strength. Precision cut and sized to accurate diameter and weight.

Available in sizes AB, BB, 1, 3 and 4.

RAVEN Split Shot Dispensers

These convenient refillable dispensers are made of durable plastic and include a selection of the most popular sizes of split shot.

Available in 5-part (AB, BB, 1, 4, 6) or 7-part (AAA, AB, BB, 1, 4, 6, 8).

RAVEN Float Fishing Guide

32 colour pages
Gear selection
Shooting patterns
Rigging
Casting instructions

The complete guide to float fishing rivers and streams. Features lots of step by step instructions and easy to follow diagrams.

Great for beginners and experienced anglers!

RAVEN FLOATS

RAVEN Premium Balsa Floats

The Raven float system was specifically developed for river Steelhead and Salmon fishing. A Raven float is now available for virtually any river condition and depth. Sporting a high visibility fluorescent red tip and a subtle matte black body, these balsa floats feature a high strength one-piece, fibreglass stem. Every fixed stem float is designed to take 3/32" Raven Silicone Tubing on the top and 1/16" tubing on the stem, to allow anglers to quickly change float size or model as river conditions vary, without having to cut and re-tie.

Available in a bulk 10 pack and in convenient 2-packs (FD and FX 1-pack) with RAVEN header card.

The broken rod, in its entirety, and the original dated receipt must be returned postage paid to Anglers International Inc. for repair or replacement. If the receipt is not sent with the rod, the repair will be completed under the Matrix Extended 2 Year Coverage program. Any misuse, damage, modification or unauthorized repair automatically forfeits this warranty. Return shipping charges apply.

RETURN INSTRUCTIONS FROM USA

- 1) Please send the rod insured for full value and ensure a tracking number is provided by the USPS. Send your rod via United States Postal Service (do not use a courier service) to the following address:
Anglers International Inc.
7-841 Sydney Street, Suite 321
Cornwall, Ontario K6H 7L2
CANADA
- 2) Make sure the parcel is well packaged (with packing paper or bubble wrap) in a sturdy tube or box so the Post Office can't break it. The ends should be solid, not just tape.
- 3) Please include all rod sections, so we may ensure the replacement section has a perfect fit.
- 4) On the box, clearly mark: "FISHING ROD FOR REPAIR - NO VALUE FOR DUTY & TX 9992/66".
- 5) USPS Customs Declaration and Dispatch Note - CP72 (provided by the post office): In section (1), write 9507109010 fishing rod / 9992 / GST code 66 / FOR REPAIR. In section (11), check "Returned goods".
- 6) There is a \$30US charge to replace a section. If we cannot find a suitable replacement piece, the entire rod is replaced at a charge of \$60US. Return shipping is via Expedited Post, insured.
We accept payment by VISA, MasterCard, personal check or INTERNATIONAL money order.
- 7) Kindly include your daytime telephone number and complete return address with the rod so we can confirm receipt of the rod and the total amount for repair.
